

Cannock Litter Bin

The Cannock Litter Bin is a large and highly durable waste management solution. The Cannock is 100L capacity, with a galvanised steel liner, and with an easily accessible door with hinge. The bin is available manufactured from mild steel and hot dipped galvanised, or manufactured from grade 304 stainless steel. Available as a surface or post mounted unit.

Customisable options include:

- Ashtray
- Personalised Logos or Lettering
- Custom Decals
- Galvanised Steel or Stainless Steel
- Powder Coating in any RAL colour
- Post mounted

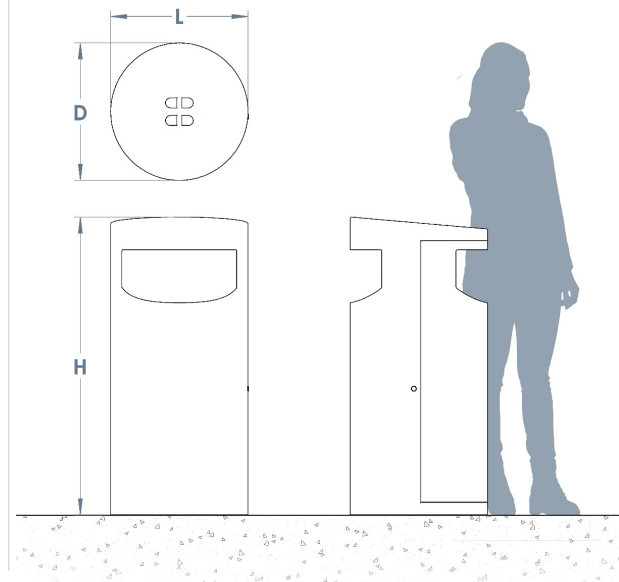

Advantages of this design include:

- Large capacity
- Angled roof for water run off
- Decals and lettering for recycling bin version
- Surface mounted for a clean and easy finish

Litter Bin is ideal for:

- Schools
- Parks
- High streets

H: 1180mm x Dia: 544mm x Capacity: 100L
