Design: Architecture: BURO II & ARCHI+I

Landschapspark Antwerpen (BE)

Benches, bollards, ping-pong tables, slabs, steps in water: one of our biggest project in Antwerp!

De Stek

Sijsele, Damme (BE)

Nursing home

Design: Architect VK Group

Mini-golf area Durbuy (BE)

Concrete benches and large slabs have been produced to create this new attractive site of the very beautiful, touristic and smallest city in the world (official title since the middle ages).

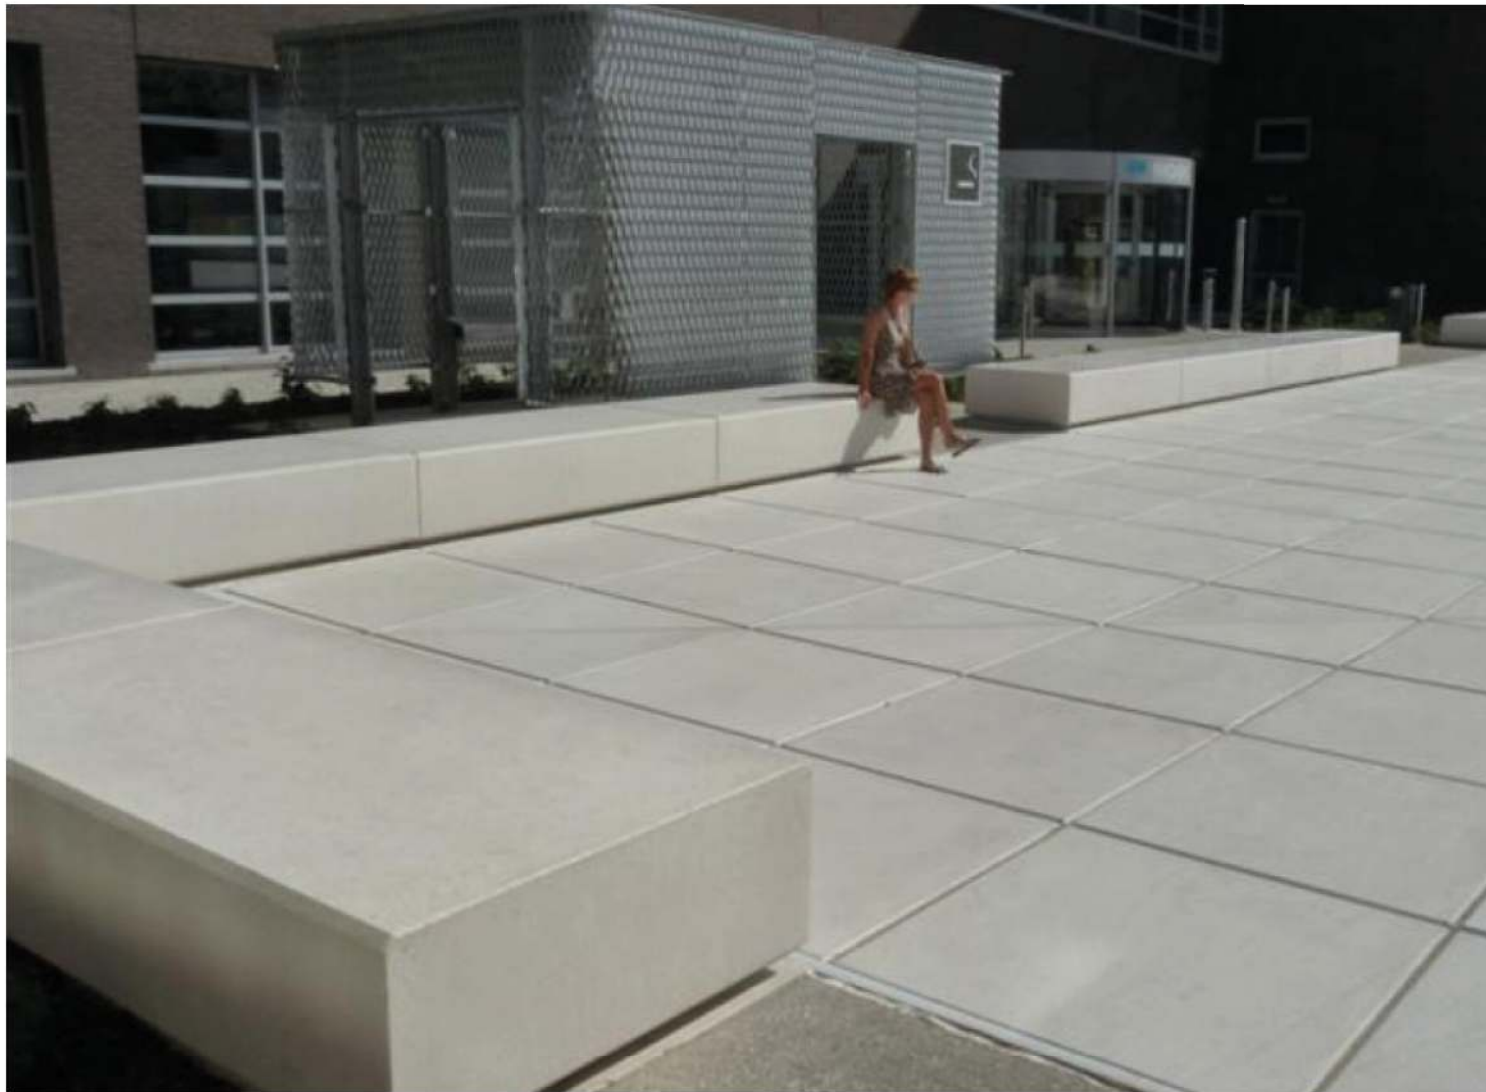

AZ St-Lucas Hospital

Gent (BE)

A very nice environment created for this part of the hospital. The coloured letters are also included in the concrete.

Ref.: Bench Block, Bench LED-Line, Fasonado Large Size Casted Slabs

University (Former jail) Hasselt (BE)

Large slabs, special slabs, stairs were produced to transform the former jail of Hasselt in an attractive University campus.

Ref.: Fasonado Large Size Casted Slabs, Steps in architectural concrete

Rubensplein Knokke-Heist (BE)

Global concept: we provided everything, from the borders, floor tiles, coloured Rubens benches until the tiles of the small building wall.

Ref.: Bench Rubens
